

“Coach” James Day Developmental Middle School Invitational Track Meet

REGISTRATION PACKET

Dear Coach,

As the Executive Director of the Bob Hayes Invitational Track Meet, I want to extend this personal invitation to you and your track team to participate in the “Coach” *James Day Developmental Middle School Invitational Track Meet*. Coach Day, as he was fondly called by most, was well-respected and highly regarded by many in professional athletic ranks for his assistance in getting the talents of many young people recognized and developed. He was known throughout the community for his acts of kindness that he and his family extended to support those in need. He believed in the importance of education, and he dedicated his life to ensuring that every child who wanted a better future had the resources needed to achieve that goal.

After many years of successfully running the Bob Hayes Invitational Track Meet and high school coaching, “Coach” Day recognized the need to give talented middle schoolers the opportunity to learn more about the mechanics of track to give them a head start when entering high school. Thus began the “Coach” *James Day Developmental Middle School Invitational Clinic and Track Meet*.

This event will also be held at Hodges Stadium on *Friday, March 14th, 2025*. and is open to 6th, 7th, and 8th Graders.

As an added feature, the students will have the opportunity to participate in an Olympic Experience to engage with former USA Olympians and other notable sports figures who will share their experiences and life lessons in an informal setting on the field. Please read the following information carefully for successful registration.

A handwritten signature in black ink that reads "Gregory J. Coleman". The signature is written in a cursive style and is positioned above a horizontal line.
